Our Institutions

University of Cyberjaya
University of Cyberjaya (UoC) is a top-tier university in Malaysia as reflected in the latest QS Rankings which accorded UoC a 5-star rating. The University is also ranked Competitive (Berdaya Saing) by the Ministry of Higher Education's SETARA ratings. The University is also currently ranked in the top 401+ under the Times Higher Education (THE) Impact Rankings 2023.

Established in 2005, and with an investment of almost RM200 million, the University is located in Cyberjaya, Malaysia's first smart-city on a 5 acre, modern, fully equipped, green-friendly campus. The campus is surrounded by lush greeneries and provide a serene backdrop for a conducive environment for student living and learning.

UoC now offers more than 40 programmes, including undergraduate, postgraduate-taught and postgraduate-research programmes across a wide set of disciplines. These include Medicine, Health Sciences, Nursing, Pharmaceutical Sciences, Psychology, Physiotherapy, Homeopathic Medical Sciences, Business and IT, and Biomedical Engineering Technology among others.

The University, together with its affiliated institutions currently have a student population of over 8,000, have produced more than 13,000 successful graduates.

Cyberjaya College Central
Cyberjaya College Central is an affiliate of University of Cyberjaya. It offers a Diploma in Healthcare alongside Certificates in Business, Science, and Information Technology. Students shares the same facilities as their peers at the University, and are prioritised for the University's undergraduate and postgraduate programmes when they choose to further their studies.

A World-class Campus

We've invested almost RM200 million for the comfort and wellbeing of our students in order for them to excel and be the best that they can be. Our world class campus provides fully equipped facilities to enhance our student's learning experiences. Among the facilities available are the Grand Hall, Lecture Theatre, Student Lounge, Discussion Rooms, Computer Laboratories, Research Laboratories, Library, Wifi on Campus, Learning Management System (LMS), Resource Centers, Mock Community Pharmacy and Dissection Hall among others. Each lecture hall and classroom is equipped with a computer, Projector, Visualiser, Plasma TV and Audio system.

Living in Cyberjaya

Considered an innovation hub, Cyberjaya is the heart of Malaysia's knowledge and digital economy and home to over 6 universities, hundreds of global businesses and thousands of international residents.

Cyberjaya is Malaysia's 1st smart-city within the Multimedia Super Corridor (MSC). Strategically located to the west of Putrajaya, Cyberjaya is developed as a model intelligent city, a unique greenfield environment within which one can live, study, work and play. The city is served by a high-speed transportation network with highways, roads and interchanges linking the city with Putrajaya and a dedicated highway running from Kuala Lumpur to KLIA (Kuala Lumpur International Airport) with convenient interchanges making it easily accessible from any point within Peninsular Malaysia.

There are plenty of entertainment centres such as cinema, bowling alley, sports centres, malls and recreational parks for the community in Cyberjaya. The township also provides students access to various restaurants, banks, bookstores and many more.

An Engaging Student Experience

We understand that an engaging student experience also involves activities outside of the classroom. Which is why our student clubs and societies are an integral part of the University experience. We nurture leadership attributes and skills through student-led events and activities organised through more than 30 student clubs and associations.

To provide you with a rich university experience, the University works with various student clubs and societies in organising exciting events and opportunities for self-development. Activities include get-to-gathers, seminars, recreational outings, sports & games, community service projects, visits to schools and more. Our collaboration with MERCY Malaysia in forming a Young Mercy programme is unique among the universities in Malaysia as it allows you to experience volunteer relief operations first hand and further build your leadership and organisational skills.
